**Thank You
Satoshi
Nakamoto**

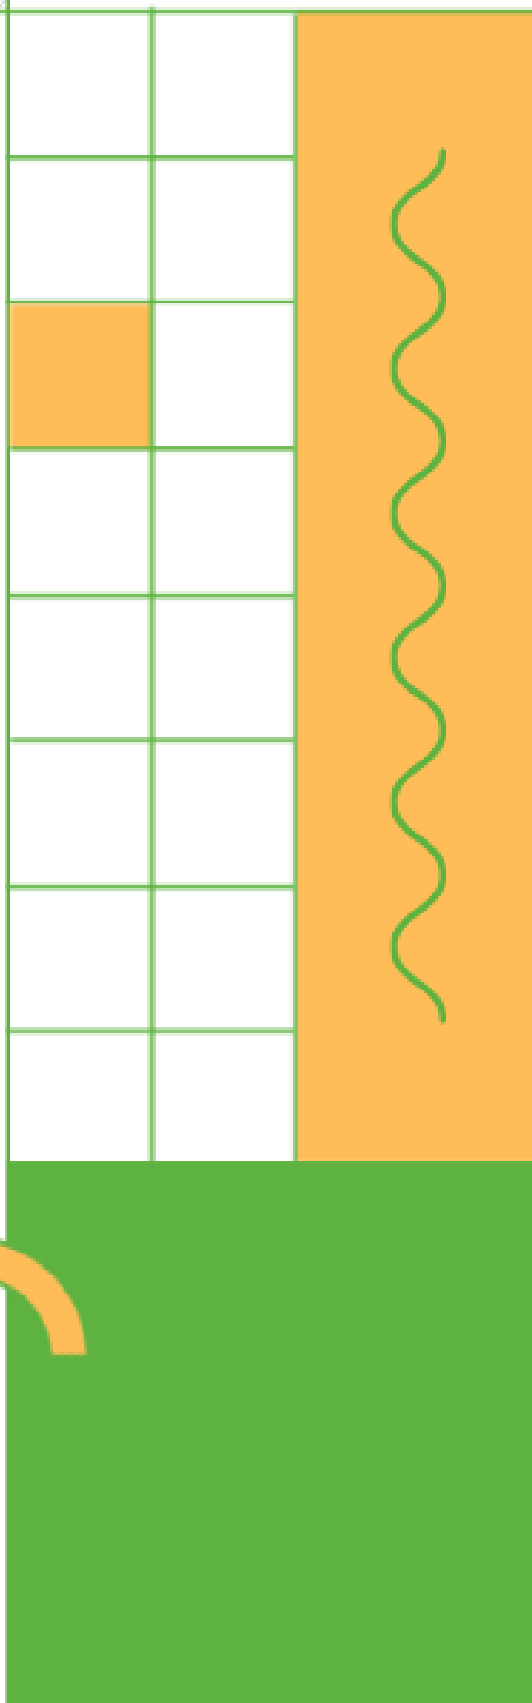

**Our statement fully reflects the
vision and development of
#Bitcoin's creator,
#Satoshi Nakamoto.**

**One of the reasons we chose this
purchase option: to introduce and
enable #cryptobrand and their
creative opportunities for
everyone around the world.**

Vision & Purchase Option

We've built a USB-based wallet purchase system combined with PayPal to give you true self-custody and global access.

When all guidelines are followed, your #SOcial NETwork COin is:

- Safer than cash or gold as "cold" storage
- Easier to transport in your pocket
- More secure to transfer or hold as a long-term investment
